

DONT LET TERRORISM DIVIDE OUR COMMUNITIES!

SMASH THE RACIST SDL: EDINBURGH!

DON'T LET FASCISTS WALK UNOPPOSED THROUGH EDINBURGH!

The recent attacks in Manchester were by all standards horrific and our thoughts are with the families and friends that have lost loved ones. The killing of innocent children, wherever it takes place, is an atrocity which cannot be justified.

However, instead of standing together in the face of such tragedy, fascist organisations like the Scottish Defence League (SDL) intend to capitalise on it as a tool to further their hate fuelled agenda. This racist division results only in helping the likes of ISIS who thrive on racial and religious persecution against the Muslim community in Europe.

The SDL claim that they want to show their 'outrage' and demand the government and the police to take 'tougher actions'. This is more of their thinly veiled racist bigotry at play; rather than stand against all atrocities, they seek to point the finger at Muslims, immigrants and other marginal groups. If we cave in to the barbarity of the SDL, we play right into the hands of ISIS's brand of Islamic fascism.

Already, we see that Theresa May has capitalized on this crisis by deploying military forces on the ground, thereby using the murder of innocents as an excuse for greater authoritarianism and militarization. Let's be clear: increasing the number of armed police officers on the street will not stop terrorist attacks!

We need to stop the government, racist organisations like the SDL and the right wing media using tragic events to serve their own political agendas whilst demonising Muslims.

DEFEND MINORITIES AND CIVIL LIBERTIES AGAINST THE SDL, TORIES AND RACIST PRESS ALIKE!

DON'T LET THEM DIVIDE US!
